Let's kick off the Trees & Utilities Conference with an afternoon of golf to help raise money for the research and education that advances utility arboriculture. Since opening in 1999, Tiffany Greens has been ranked one of the top courses in Missouri. It's a Par 72 championship-style golf course designed by Robert Trent Jones II International. Enjoy the beauty while connecting with fellow golfers for a good cause!

The four-person scramble format starts at 1:00 p.m.

and wraps up with a festive awards reception. Your \$150 registration covers all transportation to and from the golf course, greens fees, golf cart, a box lunch, the awards reception and lots of prize opportunities. Net proceeds benefit the TREE Fund. Hole sponsorships are also available for \$600 and \$1,200.
